Dear ,

Your mentorship contract has been approved by the College Board. We will be in contact with the Registrar with the decision.

A mentorship report and rating form must be submitted after every two hundred hours of work and it will be reviewed by the College Board. After final approval, the College will contact the Council recommending General Registration Status be issued. You must request an extension of your mentorship if these requirements cannot be met by the end of the contract date.

If you have any further questions or concerns, please do not hesitate to contact us.

Yours sincerely,

Jane Bowering
